

Before the
Federal Communications Commission
Washington, DC 20554

In the matter of
Progressive Telecommunications, Inc.
Application for authority pursuant File No. I.T.C.-96-
to Section 214 of the
Communications Act of 1934,
as amended, for global authority
to operate as an international
facilities-based and resale carrier

Application

Progressive Telecommunications, Inc., (Progressive), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission's Rules, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

Progressive Telecommunications, Inc. is a U.S. company organized to provide international telecommunications services. Progressive has no foreign affiliations. Progressive serves customers throughout the United States.

By granting this application, the Commission will serve the public interest, convenience, and necessity by promoting competition in the international market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to Progressive.

Pursuant to 47 C.F.R. Section 63.12, Progressive requests streamlined processing. Progressive qualifies for streamlined processing due to its status as a non-dominant US carrier with no affiliation to any foreign or domestic carrier.
